

2025-2026 Sponsorship & Advertisement Opportunities

Upcoming Concert: "A Hollywood Holiday" – December 13, 2025

Originally founded in 1996, Foothills Community Choir is a non-audition, inclusive choir based in Wheat Ridge, CO. We exist to bring people together through music, laughter, and shared growth, creating a welcoming space where every voice matters. Guided by our commitment to diversity, equity, inclusion, and accessibility, we celebrate the power of choral singing to build community and spread joy. We typically host 2 free concerts per year, one in Spring and one in Fall, plus one ticketed fundraising gala over the summer. Our concerts typically attract audiences of 100 to 200 people!

Connect your business with our vibrant community choir while spreading joy this holiday season, and beyond!
