KINDRED VOICES

A CHORAL CONCERT

Foothills
COMMUNITY CHOIR

www.SINGFOOTHILLS.ORG

HOLY CROSS LUTHERAN CHURCH | 4500 WADSWORTH BLVD.

Welcome, and thank you for being here.

Kindred Voices was born from a simple but powerful truth: none of us moves through this world alone. Every voice carries a story—of joy, of grief, of resilience—and when those voices come together, something extraordinary happens. We find strength in one another.

This program explores the human condition in all its complexity: the moments that test us, the connections that sustain us, and the quiet, persistent hope that carries us forward. In a time when it can feel easy to become disconnected, music reminds us that we are deeply, beautifully intertwined.

Each piece you'll hear today reflects a different facet of that shared journey. Some may feel familiar; others may challenge or surprise you—but all of them are offered with the intention of creating connection. Between singers, between stories, and most importantly, between all of us in this room.

Thank you for lending us your ears, your heart, and your presence. It truly matters.

With gratitude,

Taylor Gonzales

Music Director, Foothills Community Choir

Support the Music

If our music moved you—if a lyric lingered, if a harmony gave you chills, if for a moment you felt a little more connected—you are already part of what makes this choir special.

Foothills Community Choir is more than a performing group. It is a space where voices of all backgrounds come together to create something larger than themselves. A place where music becomes connection, and connection becomes community.

Your support helps make that possible.

Donations directly sustain our work—funding music, rehearsal space, professional musicians, and the resources needed to keep our choir accessible to all who wish to sing. Every gift, no matter the size, helps ensure that this community continues to grow, thrive, and welcome new voices.

If you believe in the power of music to bring people together, we invite you to support that mission.

Thank you for being here, and for being part of our story.
